Hey Beady People,

If you're like me, you have plenty of unfinished projects laying around. If you have some that you aren't happy with, don't feel bad. Put them in a sample box, put your beads & patterns away, and move on. Don't get bogged down by things you won't wear, don't like, or don't love.

Do Things you love and happy spring.

Peace, love and keep on beading. - Pam
